

It's official! The Legion has its own motorcycle units... Legion Riders!

Motorcycling is more than just a means of transportation; it's a way of life. Legion Riders Units are exclusively for Legion members and offer an opportunity for our members to express their pride in the Legion and support their community while on a motorcycle.

The aim of Legion Riders is to help generate more awareness about the Legion, strengthen support for Veterans, RCMP members and their families, and engage in community service and fundraising for Veterans and local communities.

Become a Legion Rider and share your pride in the Legion!

When you join Legion Riders, you join a group of individuals who are fiercely proud of Canada's Veterans and serving military. When you wear your Legion Riders crest, you show your pride in the Legion and help promote all we stand for.

Become a Legion Rider today! You don't have to own a motorcycle. You just have to love the ride and support the Legion.

How to Join

Membership in Legion Riders is open to all current members in good standing with The Royal Canadian Legion.

Go online to register as a Legion Rider!

By officially registering online, you receive email updates on Legion Riders activities and stay connected to Legion Riders across Canada.

Once registered as a Legion Rider, you are encouraged to contact your local Legion Branch to sign up with a Unit. Consider starting a unit if one does not exist!

For many Canadians, being part of a motorcycle group provides them with a great way to enjoy and share one of life's great passions. It's more than a hobby; it's a representation of their lifestyle. Legion Riders offers Legion members a new opportunity to combine their love of motorcycling with their passion for supporting Veterans and the Legion.
