### Poppy Seed Card with Envelope

Embedded with Poppy seeds and made from 100% eco-friendly recycled paper, these 5" x 7" cards are a great way to show someone you care. The inside of the card is blank so you can fill it with a message of your choosing, and the embedded seeds make it a great gift for those with a green thumb as well.

The biodegradable plantable eco-paper is made from post-consumer and post-industrial paper waste, which means that no trees were harmed to make it. When the paper is planted in soil, the embedded seeds will grow as the paper composts away, leaving the beautiful Poppy flowers behind with no waste.

Planting instructions can be found on the back of each card, and a properly sized envelope is also included.

## Legion Riders Program

The Royal Canadian Legion was founded on a grass-roots movement among Veterans, and to this day finds its strength in its “from the ground up” philosophy. Hence it is no surprise that the Legion Riders Program started in the same way. A small group of motorcycle enthusiasts among the membership of the Legion decided to turn their passion into a vehicle to carry the Legion name and promote the traditional values of the Legion. Now their numbers are growing, with the sanction of Dominion Command. New groups are forming across the country to help generate more awareness about the Legion and its services to our serving and retired Veterans and RCMP personnel and their families as well as engaging in community service. You too are welcome to show your support even if you don't ride a motorcycle. Keep the spirit alive. Join us.

### Silk Poppy Scarf

Two seemingly opposite characteristics, delicate and strong, are combined in a traditional natural textile silk. That makes it an excellent choice for making a scarf. The Legion's Silk Poppy Scarf goes even further with the added feature of its large size, 26" x 68", or 173 x 66 centimeters. That means it's wide enough to cover your head and wrap around your neck. The original art for the Poppy print was designed by the Legion's talented graphic artist, Karen Taylor. The chic design gives a 21st Century touch to the traditional Poppy image.

### Support Our Troops 24 K Gold Plated Ribbon Pin

It seems like everywhere you look these days you'll see a "ribbon" campaign of some sort. If you trace the tradition back to its origin you'll find the practice of wearing a yellow ribbon for a loved one away from home in military service. By offering this 24 kt gold plated ribbon lapel pin we are getting back to the roots of the tradition. In that spirit, the ribbon is refreshingly simple, adorned only with our Poppy motif. Suitable for wear by either men or women, the classic elegance of this pin compliments formal dress, but is economical enough that you won't mind wearing it every day.

### Pewter/Enamel Jewellery

For this line of jewellery, we found a Canadian manufacturer who was willing to work with our in-house artist Karen Taylor to produce these expressive pieces of wearable art. They are designed and made in Canada utilizing the finest craftsmanship, cast with Canadian Pewter and silver plated.

**Poppy Brooch** Our design team, headed by our on-staff artist Karen Taylor, started with the concept that we were producing a piece of jewellery that carries the theme of Remembrance and is beautiful in its own right. The end result is a Poppy Brooch that we are proud to present to you. Black stones set in the center, cradled by petals of deep red enamel over silver plated fine pewter, are attached to your garment by a traditional jewellery brooch pin. Sized at 1 1/4", it is large enough to show your commitment on Remembrance Day but small enough to be a tasteful wardrobe accent at other times.

**Poppy Earrings** The concept of a Poppy Earring is not a new one. This design, however, is. It truly bridges the gap between jewellery for the Poppy period and Remembrance Day, and a beautiful artistic expression of a remarkable flower. A black stone centres petals of red enamel over silver plated fine pewter. They come in two styles: one with a backing of a non-allergenic steel post and secure retainer, and one with a drop-earring loop for pierced ears, secured by a retainer.

### Glass Jewellery

Our glass Poppy jewellery utilizes this traditional medium to beautifully display the Poppy. The technique used in making this jewellery, Lampwork, is an art form thousands of years old that has hardly altered since conception. Each colour you see is a different rod of glass heated to a molten state and formed into its final shape. The completed product is an eye-catching work of passion with vibrant colour. Grace Edwards takes her love for creation, and constructs each of these beautiful Canadian made pieces of jewellery by hand, so each is unique with minor variations.

Working with Grace, we have produced two styles of glass Poppy jewellery: one a simple pin backed with a non-allergenic 2" steel post, the other a brooch, which can be fastened with a standard clasp. Both styles feature the same glass Poppy sized at 1 1/4". The jewellery is handcrafted, so each individual piece is unique. With minute variations no two Poppies are the exact same yet they still maintain their recognizable design. Crafted with passion and established in a Canadian tradition, these lovely pieces of jewellery are a beautiful accent year round.

### Polymer Clay Jewelry

Polymer clay is increasingly used to make hand sculpted jewelry as it affords the artist almost limitless contour options while providing a medium that has deep lifelike colour. Although maintaining some necessary consistency, each piece is in fact one of a kind, something that is rare with today's focus on high volume manufacturing. It has been a pleasure to work with the artist, Jane Penner of Rockwood Ontario, on the design of these pieces. Worthy of mention, Rockwood is just a few kilometers from Guelph, the birthplace of John McCrae.

Jane forms each component by hand, then heats the shapes to maintain their form. The end product has a soft luxurious texture that even retains a small amount of flexibility. Each piece comes individually packaged in custom boxes suitable for presentation or gift giving. The brooch measures 2", the necklace 1 1/2" with a 20" stainless steel link chain, the drop earrings 3/4" with sterling silver ear wires, and the stud earrings are 1/2" with surgical steel posts.

### V-Day Pocket Watch

It is surprising how some things from bygone eras have survived the 21st century onslaught of technology. One of these devices is the pocket watch. Its simplicity is the feature which brings back memories of a kinder, gentler world, and accounts for its enduring popularity. What better product, then, to carry the Legion's commemorative V-Day design? The Supply Department commissioned special custom dies to produce the Victory 1945 image which graces the traditional flip-open cover. The watch inside features a traditional mother of pearl finish face with old-school numbers and antique-look hands. The modern is not completely missing, however. The technology of a battery driven quartz movement provides reliability and value to complement traditional charm. The watch is finished with a classic 14 inch watch chain and comes in a handsome presentation quality gift box.

### Lest We Forget Watches

Shopping for a watch is not an easy task. There are literally thousands of designs out there. Rather than trying to pick from the field available, we created a design, made a list of features, and gave it to several manufacturers to make for us. One of them came through for us. Here's what we came up with:

- The industry's leading watchband design in two-tone gold and silver anodized stainless steel
- Solid, water resistant case
- Accurate Seiko movement
- Custom designed face adorned with a Poppy and the motto, "Lest We Forget"
- Clear, readable numbers

The men's watch has a generous 1-3/8" face. The ladies' model has a fashionable 1" diameter face. Even the case is our own custom design, with a Legion Logo. Altogether these watches represent excellent value, quality and the perfect combination of beauty and durability.

# Shuffleboard

## Shuffleboard Maintenance

Critical to the enjoyment of the game of shuffleboard is the quality of the playing surface. Good maintenance is the key to a smooth and flawless surface that results in predictability in your shots. The three essential steps in providing a good surface to your shuffleboard are cleaning, polishing and waxing.

**Jett Shuffleboard Cleaner** has been specially formulated to cut through waxy residue, leaving your shuffleboard squeaky clean. Use about once a week. For the best playing conditions, polish the playing surface with Jett Shuffleboard Silicone Polish after cleaning. Jett Shuffleboard Cleaner is phosphate-free and biodegradable.

400228 \$13.95

**Jett Shuffleboard Silicone Polish** increases the speed of the shuffleboard and provides extra protection for the finish. For best results, clean the playing surface with Jett Shuffleboard Cleaner before using polish. Spray Shuffleboard Silicone Polish on shuffleboard surface and spread evenly with a clean, dry cloth. For best results, allow the silicone polish to stand overnight before buffing, as this allows greater time to cure the silicone into a tough, protective shell.

400229 \$13.95

**F.G. Bradley Fast Shuffleboard Wax** is in flake form. As the rock slides over the wax and playing surface, the speed is dependent on how slippery the playing surface is. For best results with this wax, a clean, slick playing surface is required. Regular use of Shuffleboard Cleaner and Shuffleboard Silicone Polish is recommended. For use with table shuffleboards only

400226 \$16.95

**F.G. Bradley Ultrafast Shuffleboard Wax** is in bead form. As a result, this wax actually rolls between the rock and the playing surface. This means the playing surface does not need to be slippery, just clean. We recommend cleaning the surface regularly with Shuffleboard Cleaner. For use with table shuffleboards only.

# Golf

## Golf Balls

All golf balls are not created equal. About the only constant is that they are sold in sleeves of three balls. Over the many years that Legion Supply has been providing golf balls, the brand has changed almost every year. What we're trying to do is keep up with the latest innovations in golf ball design and technology. Before we put the Legion brand on our offering, we want to be sure that it is the best available ball for the price. May your drives be long and straight and your putts short and true.

## Golf Repair Tool

If you play golf you know that there are two things you need to do when you get to the green: repair your ball mark (the dent in the green where your ball landed) and mark your ball spot (so that your ball doesn't block the putting line of other players). This handy tool is useful for both. The twin tines of this solid cast metal tool are complemented by the thumb grip on the back to make ball mark repair easy, and the ball marker is securely held in the central indentation by a magnet.

# Darts

## Darts

Good quality darts, at reasonable prices, are increasingly easy to find. Quality British made darts at reasonable prices are much more difficult to track down. All components of these darts are made in Britain. This brand, "Legion by Datadart" is exclusively endorsed by 2-time world champion "Jocky Wilson". The tungsten sets contain 80% tungsten carbide allowing them to make the necessary weight in a thinner shaft. The brass sets are offered for those traditionalists who like the feel of a larger shaft or for branches that require economical sets as "bar darts" for general use. Both sets have cross-hatch knurling on the shafts, come with a set of Legion flights, and are packaged in a slim pocket case capable of storing the dart set along with extra flights and stems. Extra flight sets are available with your choice of the Legion Logo or Canadian flag.

**Please note: In the near future, as stocks deplete, dart flights will feature the Legion logo rather than the Legion Badge.**

## COMMEMORATING CANADA'S INDIGENOUS VETERANS

Canada's Indigenous people have a long history of military service, from the time of the American Revolution to the modern era. Joseph Brant fought alongside the Loyalists to prevent the spread of the revolution into what is now Canada. Four generations later, his great-great-grandson, Lt. Cameron Brant died in battle at Ypres. Down through the years, heroes such as Tecumseh, who died in 1813 at the battle of the Thames, George McLean, a veteran of the Boer War who was wounded in heroic action at Vimy Ridge, and World War II and Korea Veteran Tommy Prince, recipient of the Military Medal and the Silver Star, exemplify the commitment to principles that are essential to the fabric of Canadian Society today. The Royal Canadian Legion is honoured to recognize the contributions of today's Indigenous Members of the Canadian Forces as well as their ancestors.

### Commemorative Pin

The Royal Canadian Legion has chosen to recognize Canada's Indigenous Veterans and the significant contribution they have made through our long history and that they continue to make today. ## COMMEMORATING the NO. 2 CONSTRUCTION BATTALION

When the First World War began in 1914, Canadians from across the country lined up to enlist. Hundreds of these selfless volunteers were young Black men, but due to racism on behalf of Commanding Offices, many were denied the honour of serving their country. They persevered however, and two years later on July 5<sup>th</sup>, 1916, the No. 2 Construction Battalion was authorized. It was Canada's first and only Black battalion.

The Royal Canadian Legion is proud to present this commemorative lapel pin honouring the men of the No. 2 Construction Battalion. The silhouettes of the battalion men are found in the centre of the pin wielding the tools they were given. The trees on either side of the soldiers represent the forests they were deployed to in southeast France.

## COMMEMORATING BEAUMONT-HAMEL

WE WILL REMEMBER THEM.

### Commemorative Pin

## VIMY 1917 - BIRTH of a NATION

On Easter Monday, April 9, 1917, 100,000 Canadian soldiers stormed and captured Vimy Ridge in France. It was one of the great victories of the First World War. Although the cost to Canada was high - 3,600 dead and more than 7,000 wounded - historians say this victory marked the birth of Canada as a nation. It was the first battle in which all units of the Canadian Army fought together, and their success was overwhelming.

After the war the Canadian government determined the battle should always be remembered, and decided to build a monument at Vimy Ridge. Reaching 40 metres into the sky, the Vimy Memorial is made from 6,000 tons of white limestone. Resting on it are 20 figures that represent Canada's soldiers and the principles they gave up their lives for.

### Vimy Ball Cap

These Ball caps incorporate some modern and throwback design elements. High quality transfers and direct embroidery have been used to achieve this effect. Ball cap fronts feature an image of the Vimy Memorial and "VIMY" "1917", while our Poppy silhouette is embroidered onto the brim. "BIRTH OF A NATION" has been incorporated onto the right side while our logo and the colours representing the four Canadian Divisions who fought together for the first time complete the design.

## ARMISTICE 1918

The 11<sup>th</sup> hour on the 11<sup>th</sup> day of the 11<sup>th</sup> month, 1918, was the beginning of the end of the Great War, the “War to End All Wars.” The following year, King George V declared 11 November to be Armistice Day—later to be known as Remembrance Day—a day to remember all those who had made the supreme sacrifice in service to their country. Subsequently it grew to become an annual tradition, increasing in significance after World War II. Today, more than 100 years later, we are reminded of the sacrifices that were made and are still being made, summed up in the Royal Canadian Legion’s enduring motto—Lest We Forget.

## NATIONAL WAR MEMORIAL

The National War Memorial stands as a timeless symbol of the sacrifice that so many have made in service to Canada.

The memorial takes the form of a tall granite arch, on top of which stand huge bronze figures of Victory and Liberty. Marching through the arch are 22 figures representing all branches of the service in the First World War. Upon the faces of these figures the eager expression of hope replaces the lines of strife and death. They leave behind an unlimbered cannon and all it stands for.

Unveiled by King George VI in the spring of 1939 to commemorate the unselfish response of Canadians in the First World War, the memorial has come to “symbolize the sacrifice of all Canadians who have served Canada in time of war in the cause of peace and freedom.”

## BATTLE of the ATLANTIC

Lasting from 1939 to 1945, The Battle of the Atlantic was the longest continuous battle of the Second World War. The northern Atlantic Ocean served as a vital means for Allied forces to bring troops and supplies between North America and Europe, and in an effort to cut these supply lines, German submarines and warships stalked the waters to sink Allied transport ships. Canada played a significant role in this battle, seeing its Navy grow from 6 ocean going ships at the beginning of the war to becoming one of the largest navies in the world with 434 commissioned vessels.

Eventual victory was costly, with more than 70,000 Allied servicemen and merchant mariners losing their lives, including approximately 4,400 from Canada and Newfoundland.

More than 92,000 Canadians served in Italy at a cost of 26,000 casualties, including nearly 6,000 who were killed in the fighting.

## D-DAY 1944 - JUNO BEACH

Of all the significant events of the 20th Century, the Normandy Invasion on 6 June 1944 was the most important, changing the course of history. It marked the beginning of the end of Nazi rule in Europe and ultimately led to the development of the modern world. Canada made a major contribution to the D-Day attack by taking responsibility for one of the five beachheads, known forever afterwards as Juno Beach. 14,000 Canadian troops by ship and 450 by parachute landed in the early hours of that fateful day, supported by the Royal Canadian Navy and the Royal Canadian Air Force.

Juno Beach represents the will of Canada as a nation to preserve and defend freedom and democracy, not only for ourselves but also for others saddled with the yoke of oppression. The Supply Department of The Royal Canadian Legion is proud to recognize the achievements of those Canadians who took part in this heroic event with this collection of commemorative products. All of these items can be worn by Legion members and the Canadian public alike, so that all Canadians may take part in this worthy tribute.

### D-Day Pin

Recognition of this major event in Canada's history compelled our designers to put extra effort into producing a quality lapel pin worthy of the occasion. The beautifully enamelled Poppy is die-stamped separately, then attached to the heavily embossed and enamelled body of the pin. Finally, the Rhodium plating produces the high lustre finish. It is available in both official languages and is suitable for wear on all occasions from formal to everyday. Attractively presented on a decorative, descriptive card.

## VICTORY 1945

Considering the profound impact that the events of the Second World War has had in shaping the modern era, it is little wonder that there was such great celebration in allied nations when victory over the axis powers was announced. After 6 years of devastating conflict, in all of the allied nations citizens and military personnel alike were all overjoyed at the prospect that victory was finally at hand. Time has passed but the memories have not faded. The Legion Supply Department is commemorating Victory Day with a collection of items marked with the distinctive victory "V" design. Since the end of the war in Europe occurred earlier in 1945 than in the Pacific region, there are several dates of major significance. The design commemorates all Victory Day dates worldwide.

### V-Day Pin

When it became clear that the tide had turned in favour of allied forces in the Second World War, the "V" for victory became a rallying sign. Images of the great Sir Winston Churchill's gesture of the two fingered "V" gave hope to millions who struggled with the conflict at home and abroad. The Supply Department has produced this enduring image in the form of a lapel pin, manufactured to the exacting standards of quality that you've come to expect- finely struck and highly polished enhanced with high quality enamel. This pin features the popular clutch back attachment and comes attractively presented on a decorative, descriptive card.

### V-Day Pocket Watch

It is surprising how some things from bygone eras have survived the 21<sup>st</sup> century onslaught of technology. One of these devices is the pocket watch. Its simplicity is the feature which brings back memories of a kinder, gentler world, and accounts for its enduring popularity. What better product, then, to carry the Legion's commemorative V-Day design? The Supply Department commissioned special custom dies to produce the Victory 1945 image which graces the traditional flip-open cover. The watch inside features a traditional mother of pearl finish face with old-school numbers and antique-look hands. The modern is not completely missing, however. The technology of a battery driven quartz movement provides reliability and value to complement traditional charm. The watch is finished with a classic 14 inch watch chain and comes in a handsome presentation quality gift box.

## REMEMBERING VETERANS of the KOREAN WAR

Only 5 years passed between the end of the Second World War and the beginning of the Korean War, but during that time the world changed profoundly. Isolationism became a thing of the past, and governments began to realize that their actions from then on would have global implications. The introduction of nuclear weapons, the concept of "Cold War," and the ideological struggle between capitalism and communism made the Korean War the first chapter in the modern era of conflict.

At a time when the world was still weary of conflict from the Second World War, Canadians were once again called upon to answer the call of duty to defend a distant part of the Free World against oppression. The Korean Peninsula became the battleground for "The Forgotten War." Today, the Royal Canadian Legion stands with the Veterans of the Korean War to remember those who fought there and those who gave their lives. Never forget-Freedom is not free.

### Commemorative Wrist Watch

The olive green webbing and leather for the wristband and the brushed nickel finish of the watch case, combined with the mat finish black face and white numbers chosen for this watch are a step back in time. It is a reminder of a day when functional was a top priority. A reliable Japanese movement, stainless steel back and water resistant case are backed by a one year warranty.

## THE TOMB of the UNKNOWN SOLDIER

The Royal Canadian Legion adopted as a Millennium Project the establishment of a Tomb of the Unknown Soldier at the National War Memorial. This Legion led project saw the remains of the Unknown Soldier repatriated from France. Records of the Commonwealth War Graves Commission show that the soldier was a Canadian who died in France during the First World War. We do not know which battle he gave his life in, his age, the unit he fought with, or the date of his death.

On May 25<sup>th</sup>, 2000, the Canadian Forces flew our Unknown Soldier home to Canada after a ceremony at the Canadian National Vimy Memorial. Upon arrival, the casket carrying the remains of the Unknown Soldier was moved to the Hall of Honour in the Centre Block of our Parliament Buildings. His remains lay in state for three days so that Canadians could pay their respects.

On May 28<sup>th</sup>, 2000 "A Canadian Soldier of the Great War – Known Unto God" was laid to rest in a specially designed sarcophagus. Of 117,000 Canadians who have made the ultimate sacrifice, almost 20,000 have no identifiable grave.

Each year hundreds of thousands of Canadians continue to visit The Tomb of the Unknown Soldier and pay their respects. Canadians have adopted new traditions, laying on the Tomb Maple Leaf Flags on Canada Day and Poppies at the conclusion of National Remembrance Ceremonies.

## MEDAK POCKET

In September 1993, 2<sup>nd</sup> Battalion PPCLI was caught in a 14-day Croatian Army offensive. They endured 24 hrs of artillery and mortar fire, and aggressively withstood 15 hours of direct firefights against RPGs, 20mm cannon and machine guns. In the end, the soldiers imposed their will on both the Croatian and Serbian armies, created a buffer zone and enforced a ceasefire. For its steadfastness and professionalism under fire, the unit was awarded one of the first Commander-in-Chief Unit Commendations.

### Commemorative Pin

In recognition of those who fought in the battle, The Royal Canadian Legion commissioned the production of this commemorative Battle of Medak Pocket pin. The cast metal pin includes hard enamel features and a jeweller's clasp. LEST WE FORGET.

### Escape Map, Reproduction

Cloth escape maps were the brain child of Christopher Hutton, an Englishman hired by MI-9, British Intelligence Service Section 9. Hutton was responsible for designing maps for use by those evading the enemy and escaping capture. By the end of The Second World War it is estimated that more than 35,000 Allied POWs escaped from German prison camps.

Silk, often rejected during parachute manufacturing, and Rayon were used to make the escape maps as these materials could withstand the elements, were quiet when being opened to read, and compact enough that they could be concealed. Maps were used as scarves, sewn into jackets linings, hidden in uniforms, playing cards, and Monopoly® games. The board game proved particularly useful once inside prison camps. Years later it would be disclosed that the games were also used to conceal a compass, file, even local currency.

The use of cloth escape maps expanded with more than 3.5 million produced for allied theatres of action. The maps we chose to reproduce are identified as 43/C and 43/D. The original was provided with thanks to the Canadian War Museum, George Metcalf Archival Collection. A satin matte finish has been used on a manmade fiber selected to imitate the original. The map is in a 1:1,000,000 scale with a single 1:250,000 insert. The areas covered are Holland, Belgium, France, Germany and Switzerland. Printed in full colour on both sides the maps provided critical information to escapees. Each reproduction is identified as such on the lower right-hand border of side 43/D to ensure these reproduction cannot be confused with the originals. Size 28.5" x 28.5".

### Silk Poppy Arrangement

During the Remembrance period, and throughout the year, it is traditional to display Poppy arrangements. What is surprising is how few arrangements resemble the actual Papaver rhoeas (or Flanders Poppy). It took the manufacturer of these arrangements a full 8 attempts before we were satisfied that the silk Poppies were a close enough match to the Papaver rhoeas. Additional authenticity is provided by added greenery that is common in the wild. This arrangement comes completely assembled in the 7" ceramic white vase, Poppies and greenery mounted in floral foam covered with imitation sphagnum moss.

## Quality Uniforms from D. Marks & Co

The Supply Department is pleased to offer Canadian made blazers, skirts and trousers produced by D. Marks & Co. D. Marks has been in business for more than 100 years, making regimental uniforms, fine men's wear, tailor made and made to measure clothing.

### Blazers

The blazers that D. Marks & Co. are making for the Legion are the best we have seen, bar none. They are made from 45% wool and 55% microfiber polyester using traditional tailoring techniques- no short cuts. Like all fine clothes, they are Dry-Clean Only. They are provided with Legion buttons already on them, but have no blazer badge (your badge differs according to your membership category). Your Supply Department is carrying all standard sizes in stock for prompt delivery. Sizes other than standard are available on order at a slightly higher price.

Please see chart to determine your size.

### What Size Am I?

With recent globalization of clothing supply, sizing has become a challenge. What one manufacturer considers a size large is not necessarily the same as another. Please look carefully at our sizing charts. We are converting to a system that is based on actual body dimensions. Even though it may not be what you are accustomed to, this method is very easy to use. The size you choose will be determined by your chest measurement. If your chest measures 42", then the size you will purchase is a 42. If you are the least bit uncertain, give one of our customer service representatives a call and they'll be glad to help you.

**LADIES, NOTE:  
PLEASE MEASURE  
ACROSS THE  
FULLEST PART OF  
YOUR CHEST.  
THIS IS NOT YOUR  
BRA SIZE.**

**Legion Beret - Size Chart and Shaping Instructions**

Size	Small		Medium		Large		X-Large	
Metric	55 cm	57 cm	58 cm	60 cm	61 cm	63 cm	64 cm	65 cm
UK	6 3/4"	7"	7 1/8"	7 3/8"	7 1/2"	7 3/4"	7 7/8"	8"

Here are the required steps to shape a beret:

1. Start by cutting out the lining of the beret to reduce bulk and ease shaping. If you are not shaping the beret it is better to leave the liner in.
2. Form fit the beret. Soaking the beret before donning it will help stretch the wool and form it to the wearer's head. Most of the beret's material should be pulled down so it drapes over the right ear. The cardboard stiffener should be centered over the wearer's left eye so the headband is about two finger-widths above the eyebrow. Pinch the cardboard stiffener so that the wool dips down behind it. Tie the two laces in the back in a non-slip knot for a snug fit, then cut off the ends of the ties.
3. Dry the beret – by just wearing it until it dries.

The beret is worn with the band one inch above the eyebrows, the beret crest over the left eye, the beret pulled back and smoothed to the right side.

## HONOURS AND AWARDS:

Branches, Zones, Districts and Commands of The Royal Canadian Legion have established a time-honoured system for showing appreciation to those members who dedicate their time in service to the branch by serving as elected or appointed officers. Such members are awarded medals and ribbon bars that signify positions held. There are also awards for outstanding service beyond the call of duty. These awards cannot be bought by the member; instead, they are bestowed on the member by their branch or command. For detailed information on the awards found listed here, please consult the Ritual, Awards and Protocol Manual.

Replacement components are available, i.e. medals, ribbons, etc. The replacement parts for medals can be ordered in parts using the same number as the medals. Ribbon replacements are listed on page 64.

*The Royal Canadian Legion has a proud tradition of service to Veterans and their families, and to the communities in which they live. Legion Branches and Commands across the country recognize the service that Legion Members provide through a system of Honours and Awards. The most visible of these are medals and bars worn on the Legion and Ladies' Auxiliary Uniforms or equivalent civilian dress. There are Medals for Past Service to a Branch or Ladies' Auxiliary and bars which are sewn onto the medal ribbons, indicating leadership positions held and committee or other service. And there are Medals for outstanding service, beyond the expectations of the duties of an elected or appointed office. More information on medals, bars and other types of awards can be found online in the Ritual, Awards and Protocol Manual. Visit the Committee Resources section of the Legion website at <http://portal.legion.ca/login>*

### Tote Binder for Medals

This medal, ribbon, and award organizer serves to prolong the appearance and life of awards by protecting them. They can also reduce the wear on expensive uniform clothing. The patented design allows awards to be fixed in place with a soft cushion padding created to prevent contact with damaging elements. A rigid case exterior means this storage device will stand up to the rigors of travel and service work. This unique product was designed by two retired servicemen who recognized a problem and set out to solve it.

### Branch Service Medals

#### Dominion Convention

2010 authorized the creation of Branch and L.A. Service Medals for members of the Branch and of Ladies' Auxiliaries to the Branch to recognize the significant volunteer and service work accomplished by members of your Branch, outside of or prior to their acceptance of leadership positions. The authorizing/approving authority is designated as the Branch Executive Committee (in the case of the Branch Service Medal) or L.A. Executive Committee (in the case of the L.A. Service Medal) and/or respective General Membership Meeting. Qualifying criteria are the responsibility of the branch or L.A. Qualification for the Service Medal should be a significant level of service provided by the member to their Branch/L.A. It may be awarded in addition to any awards/medals previously received by the member. Branches and Ladies' Auxiliaries can purchase these Service Medals in the same manner as other Medals for Past Service such as a Past Officer or Past President Medal.

This Jumbo Re-markable Cheque wasn't on our radar at all until one of our branches suggested it. The need for this item arises from the fact that a wealth of charitable donations are made by you, the Branches of the Royal Canadian Legion. While we cannot ship out large flat cheques, we can produce the remarkable portion of the cheque that would not be economical for you to have made. These reusable templates are 36" wide by 16" high. You will receive these templates rolled up with the intention that you will locally obtain foam core or Coroplast to mount them on. This can be done with any contact cement or adhesive. The cheques can then be reused like any white board or remarkable material.

## Sgt-at-Arms

### Sgt-at-Arms Sashes

Sgt-at-Arms sashes are another item where we felt we could do better in terms of value. These sashes are virtually identical to the ones we have been offering for years except that the Legion and Ladies' Auxiliary badges are embroidered instead of the mounted plastic badges. We happen to think the embroidered badges are preferable and at half the price we are certain you'll find these do in fact represent much better value. The Legion sashes are available in three sizes while the Ladies' Auxiliary is available in the smaller two sizes. What we describe as Short, Medium, and Tall has internal circumferences of 49" (short), 61" (medium), and 69" (tall). If you are uncertain about size you may use a cut piece of rope or fabric measuring tape to determine which size is most appropriate. What we now describe as medium is the size of the sash we previously offered.

400186	Short	\$44.95
400187	Medium	\$44.95
400188	Tall	\$44.95
400189	Short LA	\$44.95
400190	Medium LA	\$44.95

### Long White Leather FlagCarrier with Pouch

There are plenty of cheaper slings available, but they cannot compare in value with this product. It is made from white leather, heavier than belt weight, constructed with heavy duty stitching and rivets. Lesser products will wear out in a couple of years. This one will last decades.

400113 \$46.95

#### Extension (20")

Adds some extra length to the strap of the flag carrier for the colour party member who is taller/larger.

400157 \$16.95

### Vinyl Gauntlets

White gloves are always susceptible to getting stained when handling a flag and pike on parade. They are also less than comfortable in inclement weather. These vinyl gauntlets can be wiped clean, and are weather resistant. They are unlined, so they can be worn in warm weather, but also can be worn over another glove for warmth in winter.

40156B	Large	\$46.95
40156C	X-Large	

### White Nylon Gloves

These white gloves are made from a washable 100% nylon. The nylon is a stretchy variety allowing one size of glove to fit all users. Secure fit at wrist. The gloves are accented by three lines of stitching down the back of the hand.

### Arm Band

This is the little C-shaped clip that holds a sleeved flag securely on the pike. Always good to have a spare.

Over the last few decades the use of flags with grommets has replaced almost all with rope and toggle. Grommet clips are required to attach flags with grommets to the halyard (hoisting rope) on flagpoles. These clips are sold individually. Two are required on all of our grommeted flags except for the 4½' x 9' which requires three.

# Flag Components

There are several components to a complete flag unit. There is the obvious flag, pike, pike top and stand. Offering sets including all of these components only results in forcing you to settle for something that is close to what you really wanted. This is why we distribute all flag components separately. All components are compatible with a few exceptions. The acorn tops will not fit on the wood pikes and the 1¼" wood pikes will not fit in the economy stands or angled wall bracket. Aside from these exceptions, the balance of tops will fit on any of the pikes.

## Flag Pikes

Pikes are available in a full range. The 1¼" diameter oak pike will not fit into the economy stand or angled wall bracket. All pikes are the standard 8' in height. The wood pikes thread together, and the aluminum pikes are held together using a unique "screw-joint" connection. Pike tops, flags, and stands must be ordered separately. All pikes are supplied with the required "C" clips to hold the flag in place. Wood pikes are supplied with only one "C" clip as this is all that is required. All metal pikes are shipped with the required and installed wood plug necessary to mount all pike tops.

A.	Aluminum, Wood Colour	400117	\$59.95
B.	Aluminum, Silver	400167	\$59.95
C.	Aluminum, Gold	400168	\$59.95
D.	Oak, 1"	400169	\$143.95
E.	Oak, 1¼"	400170	\$143.95

## Flag Pike Tops

All of these flag pike tops fit all pikes with the exception of the economical plastic acorn top not being compatible with the wood pikes. This plastic top will also require you to remove the wood plug from the pike (only 1 screw). All pike tops are supplied with the necessary mounting screws. You will be required to install 1 or 2 screws to attach the tops to your pikes.

K.	Chrome plated, solid, Spear	400174	\$48.95

## Stands

To complement Legion Supply's growth as a full line flag supplier, two stands are offered. The hefty premier stand weighs in excess of 5 lbs. The premier stand is constructed with a collar to fit a 1¼" diameter pike but includes a piece of plastic tubing allowing it to be used with 1" diameter pikes. The economical folding stand uses four extending rods for stability rather than weight. The folding stand will only accept pikes up to 1" in diameter. Intended for indoor use only.

L.	Premier Flag Stand	400176	\$80.00
M.	Folding Floor Stand	400175	\$72.00

# Flags

We have made the transition to flags using grommets replacing rope and toggle. Grommet clips are available in the flag accessories section of our annual catalogue. All colour party flags are available with fringes and in both 6' x 3' and 54" x 27". Please note that flag protocol requires that the Canadian flag be at least as large as any flag displayed in our colours. It is our hope that offering an increasingly comprehensive line of flags has transitioned us into a source of flags for all members and branches.

**Canada**

Branches and members of the Royal Canadian Legion hold as their foremost objective the Tradition of Remembrance for those who served in the defence of Canada. It stands to reason that national pride is demonstrated by the Legion through the display of the Canadian flag at branches and in public ceremonies through the year.

It has a breast pocket that closes with a durable zipper, as well as two pockets at the stomach, and two more pockets on the inside. The jacket is suitable for all but the coldest weather, so it can be used for the majority of the year.
